Technical drawing of a long, narrow room layout. The drawing includes the following dimensions and labels:

- Overall dimensions:**
 - Length: 3040
 - Width: 2640
 - Width of the rightmost section: 2100
 - Width of the rightmost section (labeled I.G.): 1700
- Internal dimensions and offsets:**
 - Offset from the left wall to the first vertical line: 300
 - Offset from the left wall to the second vertical line: 680
 - Offset from the left wall to the third vertical line: 1400
 - Offset from the left wall to the fourth vertical line: 1840
 - Offset from the left wall to the fifth vertical line: 2520
 - Offset from the left wall to the sixth vertical line: 3040
 - Offset from the left wall to the seventh vertical line: 3240
 - Offset from the left wall to the eighth vertical line: 3240
 - Offset from the left wall to the ninth vertical line: 3240
 - Offset from the left wall to the tenth vertical line: 3240
 - Offset from the left wall to the eleventh vertical line: 3240
 - Offset from the left wall to the twelfth vertical line: 3240
 - Offset from the left wall to the thirteenth vertical line: 3240
 - Offset from the left wall to the fourteenth vertical line: 3240
 - Offset from the left wall to the fifteenth vertical line: 3240
 - Offset from the left wall to the sixteenth vertical line: 3240
 - Offset from the left wall to the seventeenth vertical line: 3240
 - Offset from the left wall to the eighteenth vertical line: 3240
 - Offset from the left wall to the nineteenth vertical line: 3240
 - Offset from the left wall to the twentieth vertical line: 3240
 - Offset from the left wall to the twenty-first vertical line: 3240
 - Offset from the left wall to the twenty-second vertical line: 3240
 - Offset from the left wall to the twenty-third vertical line: 3240
 - Offset from the left wall to the twenty-fourth vertical line: 3240
 - Offset from the left wall to the twenty-fifth vertical line: 3240
 - Offset from the left wall to the twenty-sixth vertical line: 3240
 - Offset from the left wall to the twenty-seventh vertical line: 3240
 - Offset from the left wall to the twenty-eighth vertical line: 3240
 - Offset from the left wall to the twenty-ninth vertical line: 3240
 - Offset from the left wall to the thirtieth vertical line: 3240
 - Offset from the left wall to the thirty-first vertical line: 3240
 - Offset from the left wall to the thirty-second vertical line: 3240
 - Offset from the left wall to the thirty-third vertical line: 3240
 - Offset from the left wall to the thirty-fourth vertical line: 3240
 - Offset from the left wall to the thirty-fifth vertical line: 3240
 - Offset from the left wall to the thirty-sixth vertical line: 3240
 - Offset from the left wall to the thirty-seventh vertical line: 3240
 - Offset from the left wall to the thirty-eighth vertical line: 3240
 - Offset from the left wall to the thirty-ninth vertical line: 3240
 - Offset from the left wall to the fortieth vertical line: 3240
 - Offset from the left wall to the forty-first vertical line: 3240
 - Offset from the left wall to the forty-second vertical line: 3240
 - Offset from the left wall to the forty-third vertical line: 3240
 - Offset from the left wall to the forty-fourth vertical line: 3240
 - Offset from the left wall to the forty-fifth vertical line: 3240
 - Offset from the left wall to the forty-sixth vertical line: 3240
 - Offset from the left wall to the forty-seventh vertical line: 3240
 - Offset from the left wall to the forty-eighth vertical line: 3240
 - Offset from the left wall to the forty-ninth vertical line: 3240
 - Offset from the left wall to the fiftieth vertical line: 3240
 - Offset from the left wall to the fifty-first vertical line: 3240
 - Offset from the left wall to the fifty-second vertical line: 3240
 - Offset from the left wall to the fifty-third vertical line: 3240
 - Offset from the left wall to the fifty-fourth vertical line: 3240
 - Offset from the left wall to the fifty-fifth vertical line: 3240
 - Offset from the left wall to the fifty-sixth vertical line: 3240
 - Offset from the left wall to the fifty-seventh vertical line: 3240
 - Offset from the left wall to the fifty-eighth vertical line: 3240
 - Offset from the left wall to the fifty-ninth vertical line: 3240
 - Offset from the left wall to the sixtieth vertical line: 3240
 - Offset from the left wall to the sixty-first vertical line: 3240
 - Offset from the left wall to the sixty-second vertical line: 3240
 - Offset from the left wall to the sixty-third vertical line: 3240
 - Offset from the left wall to the sixty-fourth vertical line: 3240
 - Offset from the left wall to the sixty-fifth vertical line: 3240
 - Offset from the left wall to the sixty-sixth vertical line: 3240
 - Offset from the left wall to the sixty-seventh vertical line: 3240
 - Offset from the left wall to the sixty-eighth vertical line: 3240
 - Offset from the left wall to the sixty-ninth vertical line: 3240
 - Offset from the left wall to the seventieth vertical line: 3240
 - Offset from the left wall to the seventy-first vertical line: 3240
 - Offset from the left wall to the seventy-second vertical line: 3240
 - Offset from the left wall to the seventy-third vertical line: 3240
 - Offset from the left wall to the seventy-fourth vertical line: 3240
 - Offset from the left wall to the seventy-fifth vertical line: 3240
 - Offset from the left wall to the seventy-sixth vertical line: 3240
 - Offset from the left wall to the seventy-seventh vertical line: 3240
 - Offset from the left wall to the seventy-eighth vertical line: 3240
 - Offset from the left wall to the seventy-ninth vertical line: 3240
 - Offset from the left wall to the eightieth vertical line: 3240
 - Offset from the left wall to the eighty-first vertical line: 3240
 - Offset from the left wall to the eighty-second vertical line: 3240
 - Offset from the left wall to the eighty-third vertical line: 3240
 - Offset from the left wall to the eighty-fourth vertical line: 3240
 - Offset from the left wall to the eighty-fifth vertical line: 3240
 - Offset from the left wall to the eighty-sixth vertical line: 3240
 - Offset from the left wall to the eighty-seventh vertical line: 3240
 - Offset from the left wall to the eighty-eighth vertical line: 3240
 - Offset from the left wall to the eighty-ninth vertical line: 3240
 - Offset from the left wall to the ninetieth vertical line: 3240
 - Offset from the left wall to the ninety-first vertical line: 3240
 - Offset from the left wall to the ninety-second vertical line: 3240
 - Offset from the left wall to the ninety-third vertical line: 3240
 - Offset from the left wall to the ninety-fourth vertical line: 3240
 - Offset from the left wall to the ninety-fifth vertical line: 3240
 - Offset from the left wall to the ninety-sixth vertical line: 3240
 - Offset from the left wall to the ninety-seventh vertical line: 3240
 - Offset from the left wall to the ninety-eighth vertical line: 3240
 - Offset from the left wall to the ninety-ninth vertical line: 3240
 - Offset from the left wall to the hundredth vertical line: 3240

PESOS DUCTO XCM. Elevación izquierda, detalle alturas.

DB(A)	PESO (Kg/Mt)
160	7,1
250	7,6
315	8,3
400	11,0
500	12,7
630	14,0
800	15,0
1000	17,0

En los pesos no están consideradas abrazaderas ni cajas plug in.

Detalle manto arribo XCM 400-1000A.

Distancias mínimas requeridas, shaft tipo. plug in 160A.
Abrazaderas cada 1500mm,
altura plug in, 800-1000mm, ducto XCM 250-1000A.

Modulación típica en shaft.
